

Our trip to Malé Karpaty

On Wednesday morning we left school at 8 am. We travelled by bus to the cave Driny. A cave was very cold. Into the cave was about 7°C.

Next we went to the castle. It's called Červený Kameň. It is an old castle which is very amazing. Before we came back to Bratislava we stopped in Modra. In Modra we bought kebab and ice cream too. It was very delicious. Then we sat on the bus and we arrived to our school. This trip was great.
